Santa At The Mall

Music and Lyrics by
Tiffany Prochera

Easy but sprightly, like a boppy road trip song ♩=c.a. 120

mp

I am

mp

5

nerv-ous to go see San-ta at the mall. I'm a kid and

8

he's so big and tall! I've heard lots of stor-ies but we haven't real-ly met, not

11

yet. I wrote let-ters and yes he wrote me back. If I

15

asked him would he re-mem-ber the? I've got so man-y quest-ions 'bout the

18

rein-deer and the elves and I can-not for-get to ask him a-bout him-self and

21 *mf* like you're practicing talking to Santa

Miss-us Claus, how is she? What is your fav'-rite

mf

24 *p* mov - ie? I've got such high *mf* ex - pec - ta - tions 'cuz, you know, it's

p *mf*

freaking out just a little!

27 *f* San-ta. I'm gon-na meet San - ta! *mf* I had to dress up and

So Many Clothes

Music and Lyrics by
Tiiffany Prochera

Boppy and light ♩ = c.a. 120

mp

5 *mp*

1. Win - ter can be fun. There is so much you can do.
2. t - shirt, shorts, and sand - als and wa - ing out the door. No,

7

Ski - ing, skat - ing, slid - ing, you can strap on some snow-shoes. And
when it's cold out - side you've got - ta put on so much more.

9

One things I don't real-ly like, but that's just how it goes - you have to put on so man-y
it can get real heav-y and you can't see your nose when you're bund-led up in so man-y

12

clothes clothes. Socks and sweat-ers and boots and hats and mitts and scarves and snow-pants or long-

15

johns so much to put on! And make sure you've got the time or
When you've got it on you know that's

18

else you might be left be-hind .Oh no! No play-ing in the snow! There's no
when you've real - ly got to go so then you take it off a gain.

21 *mf*

But it doesn-t last for ev - er — this ski - ing skat - ing snow-shoe kind of

mf

24

weat-her — so you put on all those lay-ers and when you are fin'-lly done then

Skate

Music and Lyrics by
Tiffany Prochera

Flowing and Dreamy ♩ c.a. 50

mp

There is a pond out

mp

leg. * *leg.* * *simile*

4

in the yard. When it gets cold the water turns hard. I put on my coat, my

8

mitts and my hat and my skates.

11

I tie the lac - es up just right, topped with a bow that's
fill up my lungs with cold fresh air and take the first steps with

14

not too tight. and then I step on - to the ice in my
gent - le care and I hear mus - ic in my mind and I

17

skates
skate. And I am stand - ing
I spin and I spin and I
